

Join NBHS 2018-19 Academic Booster Club

Founded in 1989, the **Academic Booster Club (ABC)** honors and acknowledges the Academic Achievement of our BHS students. However, ABC's role has come to encompass so much more in the BHS community as we strive to help fill the ever-present gaps while celebrating the perseverance and excellence of our student's academic successes! Being a 100% volunteer committee, our continued success depends on our membership dues, donations, BHS parent/faculty involvement, and community corporate sponsors. If you have questions or would like to become involved, please contact ABC Chairperson, Sandy Bridger at 919.673.1359 or alebaba@nc.rr.com.

Only through **your** financial support can ABC provide the following programs:
